The Supervisor of Elections Office initiated the Adopt-A-Precinct community program to assist with the recruitment of poll workers while **benefiting participating organizations**.

We encourage both non-profit and for-profit groups to participate!

Each partnering organization "adopts" a precinct for the 2008 election cycle by recruiting their poll workers, and the Supervisor of Elections Office provides the required training, supplies, equipment and support.

With the proceeds earned for staffing a precinct, partnering organizations may choose to donate their earnings to a charitable organization **or** support their own fund-raising efforts.

Estimated total earnings for adopting a typical precinct during the election cycle (three elections) are \$3,500.

Please consider adopting a precinct for the 2008 election cycle!
