MARTIN COUNTY SUPERVISOR OF ELECTIONS

School Elections

The Martin County Supervisor of Elections Office has partnered with Double Click Democracy, an online voting program to offer elections for our public and private schools. We offer online elections for Student Government, Homecoming, Prom and any other election requested by the school district.

When conducting elections for schools, our office will program the election and issue codes for all students to cast their ballot, and just like on Election Day, receive an “I Voted Sticker”.

For more information or to request our office to conduct your election, please contact our office at 772-288-5637 or email elections@martinvotes.com.
